Professional Experiences

WING Bank (Cambodia) Plc
Phnom Penh, Cambodia - Full-time

Senior UX/UI Designer
Jul 2026 - Present

Spearheading cross-platform product design and workflow optimization for personal banking technologies, digital credit systems, and scalable internal tool suites.

Senior UX/UI Transformation Designer
Nov 2025 - Jul 2026 • 8 mos

Designed and polished the comprehensive UI/UX redesign of core internal applications, ensuring a modern and intuitive experience across web-responsive, tablet, and mobile platforms. Focused on optimizing critical operational workflows for internal staff, successfully elevating usability and design consistency across the application suite.

Techbodia
Phnom Penh, Cambodia - Full-time

Senior UX/UI Designer
Dec 2024 - Nov 2025 • 11 mos

I translated product requirements into high-fidelity, animated solutions using Figma and Lottie, while also engineering a scalable design system to accelerate development. Furthermore, I streamlined the design-to-development workflow and improved team-wide consistency by leading collaborative workshops and knowledge-sharing sessions.

UX/UI Designer
Aug 2022 - Dec 2024 • 2 yrs 5 mos

Enhanced UI components for better usability and accessibility by creating wireframes and high-fidelity prototypes, and collaborated with cross-functional teams to refine design systems, while also assisting in the production of internal video content for company events.

TKS Tasaki Cambodia
Phnom Penh, Cambodia - Full-time

Creative Designer
Dec 2019 - Aug 2022 • 2 yrs 9 mos

Enhanced brand visibility and engagement by designing promotional materials for events, creating short videos for social media, and managing the company's WordPress website to ensure content was current and aligned with marketing strategies.
